| <b>Remarks:</b><br><br>D/GG compiled the requested data (with contribution from D/M) in the form of a manuscript map and overlays. D/GC then prepared finished versions of these materials, and on 29 June they were reviewed by Dr. Scoville. His suggestion of highlighting one more seismic area on the summary overlay was carried out. Action on the <u>preliminary phase</u> of the request was completed and in OAD/ST on 1300, 30 June. The long-term phase of the study is to be coordinated with <span style="background-color: black; color: black;">[REDACTED]</span><br><br><div style="text-align: right; font-size: 1.2em;">G/S 59/4</div> <div style="text-align: center; margin-top: 10px;">25X1A9a</div> |                  |              |                |
